

Crimson Kennels Puppy Deposit Agreement

TERMS AND CONDITIONS

All deposits are a minimum of \$200 and non refundable unless the color or gender of the puppy requested is not available.

Pick of the litter is determined by the order in which the deposits are received by Crimson Kennels.

Crimson Kennels encourages Buyers to wait until the litter is 4 weeks old to pick puppies.

Picks can be made from pictures that are available on the internet, or by visiting the kennel.

Crimson Kennels will notify the Buyers when their spot in order comes up.

After notification the Buyer has 4 days to make their pick, or they will lose their spot in the order.

Puppies will not be allowed to leave Crimson Kennels for their new homes until they are at least 7 weeks old.

Puppies must be picked up by the age of 10 weeks. After 10 weeks a boarding fee will be charged.

Daily boarding rates are \$12 per day. Discounted weekly rates are available when pre-arranged.

All balances are due at the time of pickup.

Personal checks are accepted. A \$35 service fee will be charged on any NSF or otherwise uncollectable checks.

One opportunity will be available to replace the NSF check with a money order within 3 days of

notification. After the third day the puppy must be returned to Crimson Kennels at the Buyer's cost.

Puppy's registration papers must also be returned with the puppy to Crimson Kennels.

All costs related to pickup are that of the Buyer's, and will be added to the total amount due when applicable.

Puppies will have their first shots, dew claws removed, and weather permitting, will be introduced to water.

All puppies come with a 26 month written health guarantee.

Microchipping is available upon request. Cost for microchipping includes the chip and registration with Pet Trac Recovery Network.

The microchipping fee will be added to the total amount due.
